

CS 33100 – Intro to C++ and OOP

Final Exam Instructions

Hello everyone,

Congratulations on almost completing the semester! We have one final requirement left for the course: the final exam. Please read the instructions below very carefully to ensure that you are well-prepared for the exam.

1. **Exam Date & Time:** Your exam will take place **in person on December 17 from 1 PM to 3:00 PM**. Location: **Room KT- 247, Kettler Hall**
2. **Computer Usage for the Exam:** The exam will be conducted on a computer. You may bring your own laptop. If you are not comfortable bringing your own laptop or PC, please let me know as soon as possible **by completing the survey posted in Week 13 or by sending me an email**.
3. **Login Instructions:** To access the exam, **log in to Brightspace** and navigate to **CS 33100 → Course Tools → Quizzes**.
4. Ensure you arrive **at least 15 minutes early** to check that you can successfully log in to Brightspace and access the quiz.
5. **Open-Book Exam Restrictions:** The exam will be **restricted open-book**. You may use: Hardcopy or soft copy notes, Textbooks, and Presentation slides. **However, you may NOT:** Use a web browser, search the internet or use any AI tools, copy anything from the internet (this will be considered plagiarism).
6. **Time & Scoring:** You will have **two hours** to complete the exam. Total points: **30**
7. **Mandatory Participation:** Participation in the final exam is **mandatory**. Failure to participate will result in receiving an **F grade** for the course.

Here's the Final Exam Syllabus:

1. Expressions and interactivity
2. Making decisions
3. Looping
4. Functions
5. **Classes and Objects**
